

Montgomery Theater Access Education
Scholarship Application
Young Actors Workshop

Please consider your family income, resources, and dependents in the household when determining your financial aid request amount. The financial aid application process is confidential and we trust that you will supply us with the most accurate and up to date information possible. We do not require any supporting documentation for financial aid consideration. Due to our limited funds, we cannot afford to grant every financial aid request. So please, pay what you can. **Once completed, please email to our Director of Education and Production, Adam Danoff at adam@montgomerytheater.org.**
